Re: CEASE AND DESIST HEALTH ORDER VIOLATIONS

Pursuant to the Order of the California Public Health Officer issued on August 28, 2020, and as incorporated by the Health Officer Order and Emergency Regulations in effect throughout San Diego County, restaurants, wineries, and bars may operate in compliance with applicable industry guidance. *COVID-19 Industry Guidance: Restaurants, Wineries, and Bars*, published by the California Department of Public Health and CalOSHA, states restaurants, wineries, and bars may not operate indoors based on the County's current Tier 1 status. In addition, the County of San Diego is currently subject to the State of California's Regional Stay at Home Order, which prohibits dine-in operations at Restaurants, Wineries, and Bars.

It has been documented that in-person dining services are occurring at: 124 Lomas Santa Fe Dr. #108, Solana Beach, CA. 92075, in violation of the Order of the State Health Officer and the County Order of the Health Officer and Emergency Regulations and/or California's Regional Stay at Home Order.

I appreciate the impact these restrictions have on your business. However, as the responsible party for your facility, it is your duty to ensure that the Orders' are complied with. If you do not comply, we will take actions necessary to enforce the Orders. Failure to comply may result in criminal misdemeanor citations with a \$1,000 fine for *each* violation.
